

National Pregnancy Registry for Atypical Antipsychotics

MASSACHUSETTS
GENERAL HOSPITAL

HARVARD
MEDICAL SCHOOL

Are you pregnant?

**Consider enrolling in
the National Pregnancy Registry
for Atypical Antipsychotics.**

**Register now and help make the
future better for many women
just like you!**

**We are recruiting women taking
atypical antipsychotics and women
who are not taking these
medications. Participating in the
Registry involves three brief
phone interviews over an
8-month period.**
